Co-curricular Activities

Co-curricular activities and their importance are taking new dimensions in student's life. Participation in it adds to the development of soft skills in addition to the core knowledge developed through text books, classroom teachings and Evaluation.

Hence, students are advised to opt, prepare and participate with enthusiasm in co-curricular activities of their choice seeking more honour in participating than winning a prize. Through participation, students will themselves be able to explore the latent talents hitherto unknown to even themselves. It will help them to overcome stage phobia and cultivate confidence in them. The cultivation and development of such personality traits would go a long way helping students become confident individuals and skilled professionals in life.
